Dearest Darb,

There are so many things I could say "remember" for, that probably I can't remember them just here. However, don't ever forget that guy from Todd Hall who was always crawling thru the window at 310 Grove. Sometimes I often wonder if I should kill you & my roommate. You, both heckle me all time, but I'd think you were mad at me if you didn't. We've fussed at each other all year. It's been one big riotous time. Spid & your roomie have been fun, and it looks like were going to have more good times this summer even tho I did gripe your constitution last night by making you up, & making you go eat hamburgers with me. Your many intervals of hysterics go to make up a part of yourself. You get emotional over the least little thing — for instance, your love affairs which aren't such little things.

Don't ever forget the football games, the sep. rallies, the classes we cut — your times dancing, riding around in Ross' convertible, our fateful trip to Ole Calumet town. Our laughing at little things, and the times when we would walk for blocks at night & never say a word to each other.

Darb, I'm so glad you have known me. Life without me, would have been dull wouldn't it? Someone with a mind dull as I have doesn't go around without meeting someone <sup>who</sup> will want to know him. better (don't look ahead...)

It has been the aim of the entire staff, as well as the editor, to make this, the 1943 LASSO, a book that each student of Howard Payne will be truly proud to possess. Too much praise cannot be given the members of the staff who, during the trying weeks that this book was materializing worked long hours, sacrificed pleasure, recreation, and study in order that this edition of the 1943 LASSO might be completed. We have faced adverse circumstances in the publication of this book. We realize that mistakes have been made, but we have tried to maintain a minimum of them. If this edition of the LASSO succeeds in recalling to mind any pleasant memories of this past school year, then our efforts will not have been in vain.

Editor of the LASSO

Don't ever forget the old gang. You  
want, I know — Dick, Rose, Good,  
Lois, Nancy, everyone. We were all  
big fools at times — with our  
misunderstandings, but we always  
liked each other better after everything  
had been pressed out.

Remember that cute cook & dishwasher  
out at Moose's Cafeteria — or should  
I say Bill's Drive In? Wasn't he a  
honey — & the greatest shack his  
friends ever recieved was when  
he started out on his hard life  
as a dishwasher. Don't forget Camp  
Bowie & our G. I. customers — all  
the times Louis have cursed me  
out for saying "huk".

Don't, knowing you has been swell.  
I mean to always know you, where  
ever you are, or whoever you are.  
Having fun isn't the only thing derived  
from knowing you. It has meant much  
more than that, something I can't express.  
You are just plain Don't Rosford, & I love  
you more than I do Alice — if possible.  
You don't play around — just tell me  
off when you feel the urge. Don't ever  
forget that Estes kid, cause he thinks  
you are about the best friend possible.  
I Love you lots — Estes

## *Howard Payne Choir*

The Howard Payne choir of 1942-'43 has been a valuable asset to the college. Made up of thirty voices, the choir, under the direction of Guy Woods has been enthusiastically received wherever it has performed. Numerous programs have been presented during the year, both in and away from school.

## *The Fourth Estate*

Within the columns of the Yellow Jacket have been printed the unprejudiced and unbiased reports of great interest to the student body; the paper that portrays the student life as lived from day to day on the campus. As editor of the Yellow Jacket, Gwen Hall has been faced with the serious problem of labor shortage which has prevented the students from having a paper every week. However, the copies that were printed were exceptionally good. Although publication was not regular, the standards of the paper were kept on the same high level.

We have felt the full responsibility of putting out a book that would meet with the approval of every student. We have worked against many odds, not the least of which was time. However, that is all over; the last picture has been made, the last ad has been sold, and all is quiet on the third floor of the Mims Building.

The Editor and Business Manager wish to express their appreciation to all those who have been of assistance in putting out this book. We have worked hard and the staff is pleased to present to you for your inspection and enjoyment, this the 1943 Lasso.

## The Rebels

*Don't ever  
forget the Rebels  
Listed*

This fine organization, whose membership consists of the more prominent young men on our campus, has contributed largely to another chapter in the history of Howard Payne.

Figuring prominently in all school activities, their ideals and examples have been inspirational to all students. They were successful in their efforts to prevent gambling on school property, and it has been recently disclosed that nine Rebels were members of the Todd Hall Temperance Society.

It was the Rebels who detected and smashed the underhanded efforts of the Barbarians who strove to gain control of the student political machine.

The Rebels athletic activities were high-lighted by their 42 to 17 victory over the Antelopes. They also won numerous moral victories.

## COACHES

Sportscanship, first, and winners second—This describes in part the work of McAdoo Keaton, the dean of Texas Conference coaches, and his assistant "Barney" Hale.

Long famous for her hard-fighting athletic teams, Howard Payne owes a large part of her well-earned reputation to Coach Keaton, who has worked unceasingly in compiling one of the most amazing coaching records in the Southwest. Sound judgment and high ideals are characteristics of Keaton's work as a coach.

Football players, exes, and grid fans will tell you that under the gruff exterior is one of football's most agile minds.

Assisting coach Keaton in the '42 football season was colorful "Barney" Hale, a true example of Howard Payne spirit. Coach Hale, a graduate of Baylor University, has had several successful years of experience as a player and coach and was a vital cog in the Yellow Jacket grid machine.

Clean, powerful, level-headed, courageous football representatives have put Howard Payne on the football map, and the work of such coaches as these has played a large part in it. To two fine Jacket coaches we pay this tribute.

### HOWARD PAYNE, 14—EAGLES, 0

The Howard Payne Yellow Jackets started the '42 football machine rolling by defeating the North Texas Eagles 14-0. The Jackets beat off a first quarter thrust by the visitors and turned on the heat to gain the victory in this first game of the season.

The Eagles from Denton threw their biggest scare in the closing minutes of the first quarter, when Currie took one of Stokes' punts on his own goal line and headed for a touchdown—Crushing through a mass of players Stokes and Williams brought the little Eagle down. In the second period, the passing skill of "Tossin' Tommy" Samuels, with the power of Cyclone Jones seemed to be too much for the Eagles. Jones went over the line for a touchdown.

The next touchdown came in the third quarter with Samuels, Hinton, and Stokes being the chief instruments. The last points were added by Hinton. After the entire acket line rushed through to block Curries' attempted pass, Borchert fell on the ball for an automatic safety—thus bringing the score to 14-0.

### JACKETS 0—BOBCATS 6

The quaint habit prevalent in gridiron circles of counting the winners of football games by the points scored and not by statistics and sportsmanship, accounted for the Yellow Jacket's loss to the S. W. T. S. T. C. Bobcats.

Early in the first quarter, Tommy Samuels was hurt and had to leave the game. Floyce Underhill went into the backfield for Samuels and took over the passing along with Bob Stokes.

Neither team scored in the first period. The real Howard Payne threat came at the end of the first quarter. After working the ball down to the eighteen inch line and within twelve inches of first down, the Bobcats held fast and the ball went over on downs.

The San Marcos touchdown came in the second quarter of the game. The Jackets had the ball in scoring position just before the half, and made two other threats for a score, but did not succeed—the game ending 6-0.

#### HOWARD PAYNE 13—EAST TEXAS 6

Playing on a wet field, the Jackets outplayed and outfought the East Texas eleven and won a 13-6 victory. The Lions came to Jacket territory prepared for a passing attack, but the game was turned into a running game with sophomore Floyce Underhill leading the spear-head. Cyclone carried the ball over for the first touchdown, and kicked the extra point. The Lion's only score came in the first half when Hendrick passed to Lewis in the end zone.

Underhill passed to Stokes for the Jackets second touchdown. The entire Jacket squad did brilliant ball-playing in the game with Underhill, Stokes, ones, Haralson, and Holter being outstanding in the game.

#### HOWARD PAYNE 26—AUSTIN COLLEGE 0

The Blue and Gold went into action on October 9 in Sherman for their first Texas Conference encounter.

The game featured the ground play of the Jackets which ended in a 26 to 0 win for them. The Kangaroos threatened to score only once in the engagement.

Stokes crashed over for the initial score early in the first quarter. In the second quarter, Bill Haralson got loose for a 36 yard run which carried him through most of the Austin College backfield and on to the goal line for the second touchdown. Underhill tossed for fourteen yards to Stokes for the third touchdown.

Sophomore 'Monk' Algood slipped around right end for 35 yards and a touchdown early in the fourth quarter. Jones followed up with the extra point. Thus ended the first Texas Conference encounter for the Jackets.

#### HOWARD PARNE 14—McMURRAY 0

It was muddy on the grid field in Medley Stadium the night of Oct. 17, but despite this the Keatonmen rolled to a 14-0 victory over the Indian rivals. The first H. P. score came in the second quarter when Samuels stepped through the line for a score, with Cyclone Jones kicking the extra point.

The final Jacket score came after brilliant playing by the Jacket linemen. Jones picked up 13 yards, and Bill Haralson got loose over guard for the remaining yardage needed. Jones kicked the goal bringing to an end the second Texas Conference tilt.

#### HOWARD PAYNE 13—SOUTHWESTERN U. 0

Taking most of the first half to get warmed up the HP Jackets whipped the Southwestern Pirates 13-0 at the local stadium on Oct. 22, and stepped on towards another Texas Conference Championship. The Jacket machine got rolling in the second half as Samuels picked up 31 yards in two plays. In the first play of the fourth quarter Jones plunged through the entire Pirate aggregation to the four yard line, and on the next play carried through the line for the first score.

The second touchdown came after Bill Haralson gained 22 yards on end runs, Underhill hit Stokes for 12 yards with a pass, Underhill made 3 yards, then Haralson got a first down on the Pirate three. Bill carried the pigskin over on the next play—Jones made his kick good. Score: 13-0.

### HOWARD PAYNE 27—SCHREINER INSTITUTE 7

A dazzling passing attack and speedy runs by the Howard Payne Jackets brought the Blue and Gold from behind, in the second half on to a thrilling 27-7 victory over the Schreiner Mountaineers here Nov. 6. The Mountaineers gained their lonely score late in the first quarter when York shot a wobble pass to Stewart where he pulled it down in the end-zone.

The Jackets first score came as a result of accurate tossing by Samuels and fancy stepping by Stokes. Stokes took the pigskin on the Schreiner 32 and ran into scoring territory. In the third quarter Samuels brought the ball to the one yard line and Jones went over for the touchdown and kicked the extra point. After two "statue of liberty" plays by Algood and Samuels, the third touchdown was scored. Jones' kick was good. Score: 20-7. The final HP touchdown was turned in late in the final period as Massey blocked York's punt and William Roark fell on it for a touchdown. Jones kicked a gain. Final score: 27-7.

### HOWARD PAYNE 9—ACC 0

Playing sixty minutes of "heads-up" ball, the Jackets marched to their tenth Texas Conference Championship Nov. 13, when they beat the ACC Wildcats 9-0. The nearest that either team came to scoring in the first half was in the second period when Crow and Browning recovered Brewer's fumble. In the third quarter the Jackets got down to the 11 yard line and Cyclone Jones kicked a field goal bringing the score 3-0.

In the fourth quarter Stokes managed to get in the end zone where he passed to Samuels who went over for the touchdown.

## HOWARD PAYNE 0—HARDIN-SIMMONS U. 12

A boasting aggregation of H. S. U. football tricksters came to Yellow Jacket territory on Nov. 26 for the annual Homecoming Game of the season, and carried away a 12-0 victory—but how did they get it? May we answer by saying, "dirty football tactics!"

Samuels, the Jackets Ace passer left the game early in the second period with cuts that required several stitches. Bill Haralson had trouble with elbows hitting him in the mouth and Cyclone Jones with the Cowboy wrestlers.

The first Simmons score came in the second period with Camp Wilson as 'hot shot', and the last in the third period when Cleveland blocked Stokes' punt and a Rancher sub-center fell over it.

A crowd of six thousand sat through the clash with feeling running high at all times.

Standouts for the Jackets include every man that saw action—they put up a hard fight and came off the field bruised and bloody; they felt that there was more than one way in which to win—and that by good sportsmanship.

This game marked the last appearance for seniors Stokes, Hinton, Samuels, Haralson, Holter, Borchert, and others.

## BASKETBALL

The Yellow Jacket hardwood machine finished second in the Texas Conference race, being defeated only by the TWC Rams.

The Jacket squad was the highest scoring outfit in the Texas Conference this season with 433 points in eight games, and averaged over 53 points per game.

Karl Diekmeyer, Jacket freshman, was high scorer for the team with 100 points, finishing 7 points behind high scorer for the Conference.

After completing the Conference schedule the Jackets won the TAAF Tourney in Abilene and journeyed to Denver, Colorado where they played in the "World Series of Basketball." At Denver the Jackets took a 54 to 48 win over Piedmont College of Georgia State but were eliminated in the Denver tournament by the Wyoming U. Cowboys, who were first in the NCAA series at Madison Square Garden in New York.

### TRACK '43

Howard Payne's cinder pounders, coached by "Cap" Shelton, were stand-outs in the entire Southwest this season, in the snappy issue of Spring Athletics.

The squad concentrated mostly on the sprints, featuring Garland Bridges on the 100 and 220 yard dashes, Al Bercena, Ace 440-man, and the relay team consisting of Jack Massey, Avery Algood, Bercena, and Bridges.

Bridges and Bercena churned-off the fastest times in their events in the entire Southland this season.

Field men for the Jackets were Martin Holter, Wesley Ply, William Roark, and Harley Sledge who took honors in their respective events.

Jack Massey and William Roark took honors in the hurdles division, Holter and Ply in the weight division, Roark in High Jump, and Sledge in pole vault.
